A Walk in the Vineyard

Benefiting Huntington Hospital's
Neonatal and Pediatric Intensive Care Units
and expansion of the Emergency and Trauma Center

Dear Friends:

Over the past thirty years, National Charity League Juniors of San Marino has donated over \$1.3 million in support of the Neonatal and Pediatric Intensive Care Units (NICU and PICU) at the Huntington Memorial Hospital. These funds, raised at our annual benefit, have directly affected the care of the Hospital's youngest and most fragile patients.

We are thrilled to announce that our benefit this year returns to Pasadena. "A Walk in the Vineyard" will be held on Saturday, March 27, 2010 at the historic Langham Hotel. In addition to our traditional live and silent auctions, this year's gala will also include a wine tasting featuring some of California's most noted vineyards. Proceeds from the event will help ensure that children and families touched by the NICU and PICU will continue to receive the highest possible level of care. Currently, the Huntington Hospital has the only Pediatric Intensive Care Unit and the only Level III Neonatal Intensive Care Unit in the San Gabriel Valley.

In addition, a portion of monies raised will be dedicated to the expansion of Huntington Hospital's Emergency and Trauma Center, through which many of our PICU and pediatric patients are admitted. The Emergency and Trauma Center currently serves approximately 17,000 children and adolescents annually. This expansion, which is entirely community funded, will ensure that a child with a traumatic injury or sudden onset illness receives the highest level of care immediately, when every second counts. Countless children in our community will benefit from your generosity.

We hope you will consider becoming a patron of our event. Your donation will directly support Huntington Hospital's NICU and PICU, as well as the Emergency and Trauma Center expansion, and your name, or the name of your business, will be included in our auction program, which is distributed to all of our guests. All gifts are tax deductible (Tax ID #95-6120598).

If you have any questions about our group or the benefit, please contact Kim Shohfi at NCLjrs.sanmarino@gmail.com or (626) 397-2733. We are truly grateful for your support of our community's children.

Warm regards,

Nancy Reardon
