A Walk in the Vineyard

Benefiting Huntington Hospital's
Neonatal and Pediatric Intensive Care Units
and expansion of the Emergency and Trauma Center

Dear Friends,

Over the last 35 years, National Charity League Juniors of San Marino has donated over \$1.3 million to support Huntington Memorial Hospital's Neonatal Intensive Care Unit (NICU) and Pediatric Intensive Care Unit (PICU). These funds directly support the care of fragile preemies and children with severe injuries and life-threatening illnesses. Huntington Hospital houses a state-of-the-art PICU, and in addition has the only Level III NICU in the San Gabriel Valley, critical to the survival of the region's tiniest newborns.

NCL Juniors continues its tradition of giving with **A Walk in the Vineyard** on March 27, 2010.

Our gala will take place at The Langham, Huntington Hotel & Spa and will feature live and silent auctions, dancing, and casino-style gambling. Proceeds from this year's event will help ensure that children in the NICU and PICU, and their families, receive the highest level of care. In addition, some of the funds raised will support the expansion of the Emergency and Trauma Center, which is the front door for more than 17,000 pediatric patients every year. ***Please consider donating an item and/or gift to support Huntington Hospital's NICU and PICU.*** Your name, or the name of your business, will be included in the beautiful auction program that is distributed to all our guests.

All gifts are tax deductible (Tax ID# 95-6120598) and a procurement form is included for your convenience.

We sincerely appreciate your support of our community's children.

Warmly,

Linda Lim
